Don't think of this as a goodbye, think of it as a "see you later."

Great. Are you calling him Pluto now? Yet everyone got mad at Nacho when he called himself Rebel?

Umm... Pluto, we didn't even notice this person existed until they responded to my summon. So, I don't think they will interfere with you. But other Pluto if you plan on being active on the forums we would appreciate if you would change your name.

@Original Pluto This new Pluto just arrived. I've checked their history, and the only thread they've posted on so far are threads where you've been summoned, and then this thread.

Nacho was around for a bit-long enough to have at least known another Rebel existed.
